Filed a 2020 Tax Return-

Instructions: Complete this section if the parents filed or will file a 2020 IRS income tax return. The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at FAFSA.gov. In most cases, no further documentation is needed to verify 2020 income information that was transferred into the student's FAFSA using the IRS DRT if that information was not changed.

Important Note: If you (student) or your spouse (if married) or your parent(s) filed, or will file, an AMENDED 2020 IRS tax return, you must contact your financial aid administrator before completing this section.

Check the box that applies where the students or parents did file a 2020 tax return:
