

MOUNT MARTY UNIVERSITY AUTHORIZATION BY STATEPROGRAM: **Radiologic Technology**CONTACT INFORMATION: **S. Bonita Gacnik, Division of Natural Sciences
(605) 668-1582 sgacnik@mountmarty.edu**

STATE	STATE AUTHORIZATION INFORMATION	PROFESSIONAL LICENSURE OR CERTIFICATION DISCLOSURES	PROFESSIONAL BOARD LICENSURE
Alabama	MMU is authorized to operate in Alabama through mutual participation in the State Authorization Reciprocity Agreement (SARA).	State licensure or certification is not required to work as a radiologic technologist in Alabama.	
Alaska	MMU is authorized to operate in Alaska through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Alaska. Please contact the Radiologic Technology program director.	Alaska Department of Health and Social Sciences (Radiological Health)
Arizona	MMU is authorized to operate in Arizona through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Arizona. Please contact the Radiologic Technology program director.	Arizona Department of Health Services (Bureau of Radiation Control)
Arkansas	MMU is authorized to operate in Arkansas through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Arkansas. Please contact the Radiologic Technology program director.	Arkansas Department of Health (Radiologic Technology)
California	As a non-profit, private institution of higher education, MMU is exempt from having to register with the Bureau of Private Postsecondary Education.	The MMU curriculum does not directly lead to licensure or certification in California. Please contact the Radiologic Technology program director.	California Department of Public Health (Radiologic Technology)
Colorado	MMU is authorized to operate in Colorado through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Colorado. Please contact the Radiologic Technology program director.	Colorado Dept of Public Health & Environment (Radiologic Technology)
Connecticut	MMU is authorized to operate in Connecticut through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Connecticut. Please contact the Radiologic Technology program director.	Connecticut State Department of Public Health (Radiographer Licensure)
Delaware	MMU is authorized to operate in Delaware through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Delaware. Please contact the Radiologic Technology program director.	Delaware Office of Radiation Control
District of Columbia	MMU is authorized to operate in the District of Columbia through mutual participation in the State Authorization Reciprocity Agreement (SARA).	State licensure or certification is not required to work as a radiologic technologist in the District of Columbia.	
Florida	MMU is authorized to operate in Florida through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Florida. Please contact the Radiologic Technology program director.	Florida Department of Health (Radiologic Technology)
Georgia	MMU is authorized to operate in Georgia through mutual participation in the State Authorization Reciprocity Agreement (SARA).	State licensure or certification is not required to work as a radiologic technologist in Georgia.	

STATE	STATE AUTHORIZATION INFORMATION	PROFESSIONAL LICENSURE OR CERTIFICATION DISCLOSURES	PROFESSIONAL BOARD LICENSURE
Hawaii	MMU is authorized to operate in Hawaii through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Hawaii. Please contact the Radiologic Technology program director.	Hawaii Department of Health (Radiologic Technology)
Idaho	MMU is authorized to operate in Idaho through mutual participation in the State Authorization Reciprocity Agreement (SARA).	State licensure or certification is not required to work as a radiologic technologist in Idaho.	
Illinois	MMU is authorized to operate in Illinois through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Illinois. Please contact the Radiologic Technology program director.	Illinois Emergency Management Agency (Radiologic Technology)
Indiana	MMU is authorized to operate in Indiana through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Indiana. Please contact the Radiologic Technology program director.	Indiana State Department of Health (Radiologic Technology)
Iowa	MMU is authorized to operate in Iowa through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Iowa. Please contact the Radiologic Technology program director.	Iowa Department of Public Health (Radiologic Technology)
Kansas	MMU is authorized to operate in Kansas through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Kansas. Please contact the Radiologic Technology program director.	Kansas Board of Healing Arts (Radiologic Technology)
Kentucky	MMU is authorized to operate in Kentucky through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Kentucky. Please contact the Radiologic Technology program director.	Kentucky Board of Imaging and Radiation Therapy
Louisiana	MMU is authorized to operate in Louisiana through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Louisiana. Please contact the Radiologic Technology program director.	Louisiana State Radiologic Technology Board of Examiners
Maine	MMU is authorized to operate in Maine through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Maine. Please contact the Radiologic Technology program director.	Maine Radiologic Technology Board of Examiners
Maryland	MMU is authorized to operate in Maryland through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Maryland. Please contact the Radiologic Technology program director.	Maryland Board of Physicians (Radiologic Technology)
Massachusetts	MMU is authorized to operate in Massachusetts through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Massachusetts. Please contact the Radiologic Technology program director.	Massachusetts Radiation Control Program (Radiologic Technology)
Michigan	MMU is authorized to operate in Michigan through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Michigan. Please contact the Radiologic Technology program director.	Michigan Department of Licensing and Regulatory Affairs (Radiologic Technology)
Minnesota	MMU is authorized to operate in Minnesota through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Minnesota. Please contact the Radiologic Technology program director.	Minnesota Department of Health (Radiologic Technology)

STATE	STATE AUTHORIZATION INFORMATION	PROFESSIONAL LICENSURE OR CERTIFICATION DISCLOSURES	PROFESSIONAL BOARD LICENSURE
Mississippi	MMU is authorized to operate in Mississippi through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Mississippi. Please contact the Radiologic Technology program director.	Mississippi State Department of Health (Radiologic Technology)
Missouri	MMU is authorized to operate in Missouri through mutual participation in the State Authorization Reciprocity Agreement (SARA).	State licensure or certification is not required to work as a radiologic technologist in Missouri.	
Montana	MMU is authorized to operate in Montana through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Montana. Please contact the Radiologic Technology program director.	Montana Board of Radiologic Technologists
Nebraska	MMU is authorized to operate in Nebraska through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Nebraska. Please contact the Radiologic Technology program director.	Nebraska Department of Health & Human Services (Radiologic Technology)
Nevada	MMU is authorized to operate in Nevada through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Nevada. Please contact the Radiologic Technology program director.	
New Hampshire	MMU is authorized to operate in New Hampshire through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in New Hampshire. Please contact the Radiologic Technology program director.	New Hampshire Board of Medical Imaging & Radiation Therapy
New Jersey	MMU is authorized to operate in New Jersey through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in New Jersey. Please contact the Radiologic Technology program director.	New Jersey Dept of Environmental Protection (Radiologic Technology)
New Mexico	MMU is authorized to operate in New Mexico through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in New Mexico. Please contact the Radiologic Technology program director.	New Mexico Environment Department (Radiologic Technology)
New York	MMU is authorized to operate in New York through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in New York. Please contact the Radiologic Technology program director.	New York State Department of Health (Radiologic Technology)
North Carolina	MMU is authorized to operate in North Carolina through mutual participation in the State Authorization Reciprocity Agreement (SARA).	State licensure or certification is not required to work as a radiologic technologist in North Carolina.	
North Dakota	MMU is authorized to operate in North Dakota through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in North Dakota. Please contact the Radiologic Technology program director.	North Dakota Medical Imaging and Radiation Therapy Board of Examiners
Ohio	MMU is authorized to operate in Ohio through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Ohio. Please contact the Radiologic Technology program director.	Ohio Department of Health (Radiologic Technology)
Oklahoma	MMU is authorized to operate in Oklahoma through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Oklahoma. Please contact the Radiologic Technology program director.	Oklahoma Medical Board (Radiologic Technology)

STATE	STATE AUTHORIZATION INFORMATION	PROFESSIONAL LICENSURE OR CERTIFICATION DISCLOSURES	PROFESSIONAL BOARD LICENSURE
Oregon	MMU is authorized to operate in Oregon through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Oregon. Please contact the Radiologic Technology program director.	Oregon Board of Medical Imaging
Pennsylvania	MMU is authorized to operate in Pennsylvania through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Pennsylvania. Please contact the Radiologic Technology program director.	Pennsylvania State Board of Medicine (Radiologic Technology)
Rhode Island	MMU is authorized to operate in Rhode Island through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Rhode Island. Please contact the Radiologic Technology program director.	Rhode Island Department of Health (Radiologic Technology)
South Carolina	MMU is authorized to operate in South Carolina through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in South Carolina. Please contact the Radiologic Technology program director.	South Carolina Radiation Quality Standards Association
South Dakota	MMU is authorized to operate in the State of South Dakota.	State licensure or certification is not required to work as a radiologic technologist in South Dakota.	
Tennessee	MMU is authorized to operate in Tennessee through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Tennessee. Please contact the Radiologic Technology program director.	Tennessee Health Professionals Board (Radiologic Technology)
Utah	MMU is authorized to operate in Utah through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Utah. Please contact the Radiologic Technology program director.	Utah Division of Occupational & Professional Licensing (Radiologic Technology)
Vermont	MMU is authorized to operate in Vermont through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Vermont. Please contact the Radiologic Technology program director.	Vermont Office of Professional Regulation (Radiologic Technology)
Virginia	MMU is authorized to operate in Virginia through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Virginia. Please contact the Radiologic Technology program director.	Virginia Board of Medicine (Radiologic Technology)
Washington	MMU is authorized to operate in Washington through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Washington. Please contact the Radiologic Technology program director.	Washington State Dept of Health (Radiologic Technology)
West Virginia	MMU is authorized to operate in West Virginia through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in West Virginia. Please contact the Radiologic Technology program director.	West Virginia Medical Imaging & Radiation Therapy Technology Board of Examiners
Wisconsin	MMU is authorized to operate in Wisconsin through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Wisconsin. Please contact the Radiologic Technology program director.	Wisconsin Dept of Safety and Professional Services (Radiologic Technology)
Wyoming	MMU is authorized to operate in Wyoming through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Wyoming. Please contact the Radiologic Technology program director.	Wyoming Board of Radiologic Technologist Examiners
Other US Territories	MMU is authorized to operate in Puerto Rico and the US Virgin Islands through mutual participation in the State Authorization Reciprocity Agreement (SARA).	The MMU curriculum does not directly lead to licensure or certification in Puerto Rico. Please contact the Radiologic Technology program director.	Puerto Rico Dept of Health Radiologic Health Division

STATE	STATE AUTHORIZATION INFORMATION	PROFESSIONAL LICENSURE OR CERTIFICATION DISCLOSURES	PROFESSIONAL BOARD LICENSURE
Foreign Countries	Contact the Radiologic Technology program director.	State licensure or certification is not required to work as a radiologic technologist in the U.S. Virgin Islands. Contact the Radiologic Technology program director.
